THE UNIVERSITY OF BRITISH COLUMBIA

Undergraduate Admissions
Online Application 2016

Personal Profile Questions

All Programs/Both Campuses (excluding Sauder)

These are the questions a student will see on the online application if they have selected any CH1 and/or CH2 program/both campuses (excluding Sauder):

1. Tell us about an experience, in school or out, that taught you something about yourself and/or the world around you.
2. Be it inside or outside of the classroom, what have you done to challenge yourself intellectually? Describe an issue, topic or area of study that you have investigated or pursued.
3. Explain how you responded to a problem and/or an unfamiliar situation. What did you do, what was the outcome, and what did you learn from the experience?
4. Describe up to five activities that you have pursued in one or more of the following areas. Please outline the activity and describe how it affected you or others.
5. Tell us more about one of the activities you listed above by explaining what your goals were, the role you played, and what you learned in the process.

Sauder

These are the questions a student will see on the online application if they have only selected BCOM (Sauder):

1. Explain how you responded to a problem and/or an unfamiliar situation. What did you do, what was the outcome, and what did you learn from the experience?
2. What constructive feedback have you received in a leadership or teamwork setting from others and what were your thoughts about the feedback? How has it impacted your approach in working with others since?
3. BCom Video Interview: Save your responses before you complete this next section by clicking "save". To access the BCom Video Interview, please copy and paste "<http://www.sauder.ubc.ca/bcomvideointerview>" into a new browser and carefully follow all of the instructions listed at the website. After you've recorded answers to the two formal interview questions, copy the URL address provided on the final confirmation page and paste it into the field below.
4. Describe up to five activities that you have pursued in one or more of the following areas. Please outline the activity and describe how it affected you or others.

5. Tell us more about one of the activities you listed above by explaining what your goals were, the role you played, and what you learned in the process.

All Programs/Both Campuses

These are the questions a student will see on the online application if they have selected any program on either campus as one of their choices, and Sauder as their other choice (questions will be re-ordered depending on order of choices):

Tell us about an experience, in school or out, that taught you something about yourself and/or the world around you.

Be it inside or outside of the classroom, what have you done to challenge yourself intellectually? Describe an issue, topic or area of study that you have investigated or pursued.

Explain how you responded to a problem and/or an unfamiliar situation. What did you do, what was the outcome, and what did you learn from the experience?

What constructive feedback have you received in a leadership or teamwork setting from others and what were your thoughts about the feedback? How has it impacted your approach in working with others since?

BCom Video Interview: Save your responses before you complete this next section by clicking "save". To access the BCom Video Interview, please copy and paste "<http://www.sauder.ubc.ca/bcomvideointerview>" into a new browser and carefully follow all of the instructions listed at the website. After you've recorded answers to the two formal interview questions copy the URL address provided on the final confirmation page and paste it into the field below.

Describe up to five activities that you have pursued in one or more of the following areas. Please outline the activity and describe how it affected you or others.

Tell us more about one of the activities you listed above by explaining what your goals were, the role you played, and what you learned in the process.
