R.E. Mountain Secondary offers some courses that run before and after the regular school day. These courses are not a club or extra-curricular activity; they are 4 credit BC Ministry courses. The courses below run for one semester in a hybrid of 50% in-person and 50% self-directed. Students should be self-motivated and be able to work independently on course work. Teachers will establish “office hours” when they are available at the school or via TEAMS for students to access extra help.

By choosing this learning option and completing the application form, you acknowledge the expectations of the course and the commitment required to be successful.
